- A look is one clothing outfit, hair style, and make-up look. A second look would include a second outfit and slight hair and make-up alteration if needed.
- The USB upgrade includes your images on a custom USB printable up to 5X7 with an included print release.
- HIRES upgrade is only available for L5 and allows for printing beyond a 11x14.
- Online gallery is a private password protected viewing and ordering gallery of your images.
- In each level you are given a maximum time limit to ensure that we have plenty of time to bring out your artistic styles and capture what we need to represent your personality.
